Modern Australia has never looked so good...and so smooth.

The way Australians live our lives today is reflected in the changes we have made in the more contemporary designs of our homes. Harmony Contemporary Shingles have been designed to perfectly complement this modern vision, yet they still retain the iconic and beautiful colour images reflected in the natural landscape. The feel is smooth, the look is contemporary and the heart is purely Australian.

1. **Artist's Ink**
The first choice in delivering creative colour differences to any home elevation. Bold yet elegant, Artist Ink goes wonderfully with any architectural style.
2. **Carob**
Delivering a vision of luscious, soft chocolate tones, Carob has all the addictive visual qualities that will compliment most home tastes.
3. **Coffee Bean**
Such a popular and sophisticated colour choice for its richness and intoxicating characteristics that its name is so renowned for.
4. **Morocco**
All the rich, earthy red tones are to be admired in this ever-popular colour that has just a hint of the exotic.
5. **Pearl**
Pearl is a beautifully soft and cultured colour that seems so perfect for any home style. It is a valued choice for those wanting a vision of elegance.
6. **Stellar**
This popular colour reflects the dramatic Australian night sky and its seemingly ageless depth of vision. Stellar is a great choice for those looking for a colour that will compliment any home.
7. **Tarragon**
A gentle colour depicting the soft, grey-green hues of nature, complimenting the strength of the sunny Australian climate.
